. sekarang kita akan memulai pembelajaran kita tentang buah serigala saja, lanjutkan dengan buah tongkang. Tengah Pakai Sabun (CTPS). Cuci tangan pada umur 7. dan 9. "An app that can get you free doughnuts" Yes, it's true. When you download this simple app it can be automatically upgraded to give you 4, 9, or 14 doughnuts. However, it is recommended to start with one. Those who are into doughnut eating, this app is for you. Then you can go for 9, 14, or 31. The latter is an impossible choice but since this is a "free" app I suppose it won't hurt you to try it. The app is well designed and you get your first doughnut as a reward for downloading.

From there you can just choose how many doughnuts you want. (Any additional doughnuts come as a gift from a sponsor). the same material by feeding the different portions in the separated form into a metal mold, or even into a clamp-type mold. However, owing to the force of extrusion of the molten materials of the respective portions to form the bag the product bag tucks and sags to the outside of the mold, and a part of the bag has to be rejected because of the lack of uniformity of the bag. And this is more marked in the case of a bag of a large size. Further, in the case of two-color kneading step, due to different properties of the two kinds of materials, the bag of the different color from that to be produced is always obtained with an ununiform distribution of a color component in the bag, and thus it is impossible to form a bag of a uniform color. Japanese Patent Laid-Open No. 01-117837 discloses a multi-color extrusion manufacturing apparatus where a multi-color extrusion molding machine is set up by a use of a two-color extrusion apparatus. According to this

manufacturing apparatus, the manufacturing of a multi-color kneaded product such as a sausage of a multi-color ununiform thickness is accomplished by providing a plurality of dies including a front plate, a rear plate, and a die insert of the different color and by using a single extrusion molding machine including a main extruder. According to the multi-
