****The stunning graphics and voice acting of the game's opening sequence**** have attracted attention. This open world fantasy RPG has been developed with an eye for detail and a dedication to high quality. It takes place in a dark, historic fantasy world as a backdrop to the struggle between good and evil. It will allow players to live through the adventures of Vanar, a female warrior who is recently an orphan living on the shores of the Sands of Innocence. Players can experience the detailed and unique battle system known as the 'Aeon of Decay', which is unique to Elden Ring. The game is currently in development with a small scale beta test being run prior to release.

*****Supported Games***** You can enjoy the basic online elements, etc. of the game while playing by connecting to a different game session running on a different host.

1. Battle Royale Mode • Starting with a large group of players, you fight against other players in large battles to win prizes and earn prestige. • In this mode, you can conquer other players by defeating them in battle. • When battle starts, both players each select a weapon and armor. • As you fight, you can unlock various skills and items to use in battle. • While you use abilities, you must use SP points, which are points obtained as rewards in battle. • If you level up or collect items, you can use them in battle and earn more SP points. • You can earn more SP points by defeating more opponents, or by defeating opponents while being targeted by an enemy attack. • High ranking players receive higher rewards and higher ranks, which grant you access to higher weapons and armor. • Higher ranking players get an advantage in battle. • When a battle ends, there are four stages in win/loss: the conditions of a victory, a tie, a draw, and a loss. • For a victory, you must earn the highest rank possible. • A draw occurs when both players earn the same ranking. • A loss occurs when your opponents defeat you.
2. Single Player Mode • There are more than 60 worlds to explore, in addition to places to be found. • You can freely jump in to any one of the worlds to play a short story. • There are various characters to befriend and interact with. • You can access the dialogue menu to decide who will speak to you and to receive

Untitled Document We store files on an attached Iron Wolf server. The beginning of the file should be: ROSA, PINPOT MOSCOW: NASA has sent a self-portrait of the earth ahead of a planned manned mission to Mars, carrying inside an image of the ancient Mayan Venus goddess known as PINPOT. The image of PINPOT, three-dimensional and computer generated, shows the goddess sitting on Mayan structures 300 years ago. The two view a Mayan Temple (already out of picture) before the goddess and the Mayan structures shown to the left of her. Diana Kashok, Planetary Anthropologist on the project, told Reuters that the Earth in the picture is may be much smaller than the actual earth because it was modified to look like a space image. Curiosity Rover on Mars Uncovered Pictured for the First Time The spectacular new pictures of Mars had never been taken, so what had been seen before were mere views of what the surface must be like. Now the rare observations, made by the robot behind NASA's Mars rover Curiosity, as it drove to its final landing site
