The customer does not have to worry about any cost at.Messages - Falstaffian Hi everyone! I am just curious as to whether anyone has used the new ESCX. This is my first sump, and I'm not too familiar with them. I was a little confused about the wiring harness. It looks like it comes prewired, but where it says it has 12V connectors for a 4s battery, it has 15V connectors? Where do you plug the 9V battery? if anyone knows what the MSX and the Stalwart sell for over on Ebay, that
