It is the sequel to Sekiro: Shadows Die Twice (2016). The first surprise of The New Fantasy Action RPG (2017) Review comes in the fact that there are now two main characters — the protagonist, who fights with a group of knights in an attempt to rid the world of evil, and the ambitious, stupid, ambitious, and strong-willed girl, who aims to become the greatest lord in the world. Unlike the previous games, which tend to focus on a specific character, this title focused on both protagonists, who are facing all the struggles together. The New Fantasy Action RPG (2017) Review – Verdict In The New Fantasy Action RPG (2017) Review, you begin the game at a point where you already have gained a considerable amount of experience.
