" This game is amazing and addictive, the graphics and music are great, but the story and gameplay is best. It combines the RPG and Action genres, and has a much more Fun gameplay than the Pokémon series, with a real story. The game has good graphics, but the repetition could get annoying after a long time, although the story is really captivating. The only thing that might hurt the game is that sometimes, it would freeze, for a few seconds, that is the only bad thing about this game, and i would say that it is not worth a full \$30. -- -- SYNAXIS Elden Ring Torrent Download GAME: " I would give this game more than 8 stars if I could. You can prevent this by clicking the red cross and accepting it. As soon as you hit the starter disk the game will allow you to download the Data file and install it separately. I've just done it on my K3i but I'm also hoping that the black screen isn't fixed but just a temporary bug I'll be back in a few hours to report it. If it is a bug it might be best to report it on the ewii forums as they might have the same problems if yours is a different model than mine. I don't know if this has been posted before but I had a similar problem to the one you experienced. I too noticed a black screen. When I tried to run the game I got a message saying that the game had corrupted data. I tried to run the game again and it started up fine. PS: I don't know if this is important or not, but when the game first loads the main character is facing the the opposite way to him/herself. The top right hand part of the picture is the feet and the left hand is the right hand. I have recently bought the game along with the starter disk and had the same issue but, I have managed to overcome it thanks to the information on this thread (just thought I'd let you know) so please don't think any less of yourselves and thank you for all your helpAn overview of results from the previous year (From left) Brian Bright, Board President; Mel Dale, Vice President of Economic Development; Steve Meisman, President of Interior Excavating; and Bill Steffens, Chair of Leucadia Management.
