Feeling overwhelmed when you first begin to play in the Lands Between? When you clear the first scenario, you can join a Group to continue exploring the Lands Between, then customize the various character traits using the unique battle actions available as you gain experience. In addition to playing offline, you can share your acquired characters with other players in an asynchronous online element. So, what are you waiting for? You can battle and adventure using all seven classes in the game, including the hero, barbarian, cleric, druid, knight, ninja, and wizard. YOUR CARPET TO HANDLE ANYTHING Battle with a variety of characters on a variety of maps. The five classes available to you are: 1. Hero – A powerful warrior. 2. Barbarian – A brutal combatant. 3. Cleric – A weapons expert. 4. Druid – A priest that has learned healing magic. 5. Knight – A knight that fights with a variety of weapons. 6. Ninja – A stealthy ninja that fights with two blades. 7. Wizard – A mage that uses magic. What You Got? Strong Attack Strike swiftly and powerfully. Bonds for Success Bind yourself to your friends. Deflect Use a shield to counter an attack. Guard of the Moon Protect yourself using the power of the moon. Immovable Wrath Stunning your opponent with a blow. Out of Action Stun your opponent. Protection and Luck Protection from physical attacks. Rain of Spears Increase your hit points. Time and Tide Pause the time of battle. Special Item Equip something that will increase your power. Ready to Purchase? Tarnished Heroes is available on iOs on the App Store for US$3.99 for now, but a second version with gameplay adjustments and additional content will be released in the near future. Check the links below to purchase in the appropriate region.

LandShade "Online Play must be connected so that a player may directly connect with the server and even travel together. For this reason, multiplayer is not supported when playing on iPhone/iPod and is, therefore, an optional feature."- Montague Evan Jameson, CEO of WebkinzLife.-July 2006 You'll get a tour to the gorgeous WebkinzLife offices on a nice, clean and not too early Tuesday morning. We'll gather in the lunchroom and take a tour around the place. We'll meet the amazing team and find out all about the game! You'll do a quick round of introductions and then we'll be off to our first game of Lands Between! The game is a new release by WebkinzLife that's filled with lots of action and adventure. This game will have you fighting and going on quests in an amazing open world. You'll meet other players who you'll be able to travel with and perhaps even befriend. Maybe you will even help them out. We're going to start out easy with a few quests. It's good practice to start off with something that uses typical RPG commands. Once we have that first experience in our systems, we'll try to shift to more of an adventure game, which should be more familiar to you. As you explore a world filled with awesome creatures, battles, and more, you'll want to keep an eye out for creatures you can capture and sell. Also, if you trade with others, you'll want to make sure you take the best deals and have a lot of treasure. We're in the middle of testing the game for online play on the PlayStation 2, so the PC version is in Beta. When this game comes out on the PC, you can be sure that it will come with online play and

The month of May has been packed with announcements and developments. This has been the month of the Bitcoin Cash community re-organized. There have been discussions about the history of Bitcoin and more importantly Bitcoin cash's history, the gathering of members of the Sons of Satoshi of Human Race and other premier organizations, the increase in hashrate and, of course, the big daddy of the month- Bitcoin Cash ABC. Bitcoin has first-mover advantage, but Bitcoin Cash can beat it at its own game. Bitcoin Cash has the future and the leaders of the Bitcoin Cash community have the best interest of the whole community at heart. They, consequently, are the best people to govern Bitcoin Cash. Not only

do they have the best interest of the whole Bitcoin Cash community at heart, they just do what works. The public is not acquainted with all the happenings of the past months, and there are some accomplishments that have gone overlooked. For example, the Bitcoin Summit 2018 conference was a wonderful success and on Saturday the 22nd of May the first Bitcoin Cash Cash conference was released which went a lot better than anticipated. The question that remains is whether the Bitcoin Cash repository is the best
